THE AFTER PARTY

All married couples seem to pass on the same piece of advice to Bride and Grooms planning their big day. Cherish every moment of it because it will be over in the blink of an eye.

The Big Day can be whirlwind, early starts, rushing to the church and being on your feet all day. Entertaining your guests is tiring.

That's why we here at Hotel Curracloe understand the importance of what has become an Irish tradition, 'The Little Day' the day after your 'Big Day' where you can relax and enjoy drinks and music with friends without the pressures of entertaining.

We offer free Live Entertainment and Finger Food for your party in the cozy Tavern Bar, or if the South East Sun is shining then there is no better place to be than the outdoors, in our large seating area, sipping your favourite tippie and singing along to some of Wexford best performers.

So whatever you want to call it, The Day After Party, The Next Day Session, or even just a good old knees up, no one can match our packages, hospitality, friendly atmosphere or warm welcoming staff.
