

# A world of fishing awaits:

## A guide to the best locations nearby!

### **Curracloe Beach**

Known for its stunning scenery and abundant marine life, Curracloe Beach offers excellent fishing opportunities. Anglers can expect to catch species such as bass, flounder, cod, and mackerel from the shore or by wading into the surf.

### **Raven Point**

Located at the southern end of Curracloe Beach, Raven Point is a favourite among anglers seeking solitude and excellent fishing conditions. Here, you can target a variety of species including bass, sea trout, mullet, and dogfish.

### **Wexford Harbour**

Just a short drive from Curracloe, Wexford Harbour is a bustling fishing hub with plenty of opportunities for anglers of all skill levels. Expect to catch species such as bass, cod, pollack, wrasse, and even occasional sea trout.

### **Tinnaberna Bridge**

Situated along the River Slaney, Tinnaberna Bridge is a hotspot for coarse fishing enthusiasts. Here, you can target species such as bream, roach, perch, and pike in a peaceful and scenic setting.

### **Blackwater River**

The Blackwater River is a prime destination for salmon and trout fishing. Anglers flock to this scenic river to try their luck at catching these prized game fish.

### **Curracloe Lake**

This tranquil lake offers excellent coarse fishing opportunities. Anglers can expect to catch species such as carp, bream, tench, and roach in abundance.

### **Ballyconnigar Strand**

Located near Blackwater, Ballyconnigar Strand is a picturesque beach known for its stunning views and productive surf fishing. Anglers can target species such as bass, flounder, and sea trout from the shore.

### **Morriscastle Beach**

Morriscastle Beach is a popular spot for beach fishing enthusiasts. With its expansive sandy shores and easy access, anglers can cast their lines for species such as bass, flounder, and sea trout.
